2017 Boneshaker Old Vine Zinfandel product-timed-pdf - Hahn Family Wines | Lodi, California - 2017 WINE ENTHUSIAST STAR AWARD WINNER!!!

Why We're Drinking It

Older vines make bolder Zins. The main source of this Zinfandel, the Bruella and Fathom vineyards, are home to vines over forty years old. These vineyards produce exceptional grapes with a character only found in California, yielding Zinfandel as rich and spicy as their history.

[NICKY HAHN NAMED 2017 AMERICAN WINE PIONEER BY WINE ENTHUSIAST](#)

Nicky Hahn, grew up speaking German. In his native language, the word 'Hahn' means rooster, which is why a depiction of this bird has always graced the label of our Hahn wines. From the beginning, Nicky strove to produce exceptional varietal wines from Monterey County where Hahn's vineyards and winery are located.

This assemblage of classically-styled varietal wines—along with our GSM Rhone-inspired blend—are now under the care of second-generation vintner Philip Hahn, who proudly carries on his father's legacy. Vintage after vintage, we style our Hahn wines to be fruit-forward, balanced and supple. Our vineyards in the Santa Lucia Highlands and Arroyo Seco AVAs are a significant source of fruit for these wines.

Reviews

Black pepper, clay, dark chocolate and cranberry on the nose. Medium-full bodied with tones of espresso, fig jam, black

cherry and cinnamon spice. Black raspberry peeks out through the long finish, with more espresso as it flows off the palate. Showing well with its age, and will go another few 3 or 4 years with proper storage. This is one for all Zin fans. - 93
