Normally \$60, \$39 today with free shipping on 3 today! Luscious, electrifying Extra Brut from this House we have been direct-importing for 5+years now. A HUGE overdeliver!

Here at Invino, we (well, normally) go to Champagne every year to taste the new vintages and pick out what we're going to bring in for you (and us!). We tasted samples the winery sent us last year and bought every bottle could. \$39 is AH-MAZING for this cuvee!

In Dizy, a village near Epernay, in the Vallee de la Marne, Paul Berthelot created a Champagne house guided by the principles of the founder, Emile Berthelot. Paul was the hospitality director from 1940 to 2000, and Jacques was responsible of the organization of the vineyard and its development since 1960. The Domaine has close to 40 acres of vineyards between Dizy and Avenay, classified Premier Cru, and also Aÿ which is classified Grand Cru. Pinot noir and Chardonnay are the majority in roughly equal parts.

The stellar extra brut from Paul Berthelot is rocking and rolling right now. With 4.5 gram dosage and laced with aromas of honeysuckle and fine herbs, the palate is mouth-filling and elegant with flavors of poached pear, Pink Lady apple and fresh red currant. We love the balance and the fine mousse here, this is a massive over-deliverer and worth every penny at our special price!
