## 2016 d'Arenberg 'The Love Grass' product-timed-pdf - Shiraz | McLaren Vale, Australia - 'Gold Medal' McLaren Vale Wine Show, 2018

### Why We're Drinking It

d'Arenberg is one of the undisputed kings of Australian Shiraz and other Rhone varieties that have historically defined the region. Fourth generation winemaker, Chester Osborn, recently converted all of the family's vineyards to organics and biodynamics and moved to solar energy in the winery. Having been inducted into Wine & Spirits Magazine's Hall of Fame for earning a place on its Top 100 Wineries nine times, this accolade is a reflection of d'Arenberg's revered reputation worldwide.

Lovegrass is a weed that grows in the vineyards and its sticky flowers affectionately attach themselves to vineyard workers' socks. This Shiraz will linger with you in the same way that the flowers do!

### Tasting Notes

Quite a lifted nose, with intense aromas of mulberry, plum and graphite. The palate is round and delicious with more mulberry and more plum. The wine finishes quite long, with moderate acidity and loads of fine, spicy tannin.
