2016 Waypoint Vineyards product-timed-pdf - Chardonnay Hudson Vineyard 2016 - 50% OFF Hudson Vineyard Chardonnay!

Why We're Drinking It

Is this the most exciting Chardonnay offer Invino has ever done? We think so. Waypoint's 2016 is a rockstar -- made by double 100-point winemaker Tim Milos, from the legendary Hudson Vineyard (used by such \$100+ luminaries as Arietta, Aubert, Failla, Keplinger, Kistler, and Kongsgaard), all old Wente clone. Not to mention 2016 is a world-class vintage!

And this wine, today, is \$25. Simply breathtaking. We all bought our bottles! Waypoint was never officially rated, but trust your friendly Napa Valley wine merchant -- this is **SERIOUS**, rich, flavor-packed, complex, intense yet finely delineated juice. Awesome. Head-shaking at our price!

**** get yours yet? It will go fast! ****

Curious about the name? Waypoint represents an intersection in GPS coordinates, a single place of origin. All single vineyard wines with an attempt to express the site, which comes across so fantastically in this wine from Hudson. Wow! While it lasts...!
