2016 Chateau Moulin de la Bridane product-timed-pdf - Heritage Saint-Julien - Bordeaux! Wine Enthusiast 93 points, \$27?!

Why We're Drinking It

What a find! Plus, we're throwing in free shipping on 4+ bottles! Elegant, rich Saint-Julien from the epic 2016 vintage in Bordeaux. Don't miss!

It is hard to go wrong in a vintage like 2016 across most of Europe, but in Bordeaux, it was a special one. We managed to score a small batch of the under-the-radar rock star value play known to savvy drinkers as Chateau Moulin! Today is YOUR day to find out why it's so loved!

Named after the Abbot Bridane, an important miller of flour in the Middle Ages, these days Chateau Moulin is a much sought-after Bordeaux that is not technically "classified" (read about the important 1855 classification [HERE](#), if you like), thus doesn't command the \$50-\$300 price tags. BUT -- it DELIVERS, big time, and at our price??

This IS drinking pretty right now, and will continue for another 5+ years, easily. AH-MAZING at \$27, guys! 2016 shines with silky, finesse-filled texture, deep fruit flavors of black currant and dark plums, rounded out by minerality and licorice notes. Beautiful! BUT! Not much to go around...while it lasts!

"From one of the few estates not classified in Saint-Julien, this wine is generous, structured while keeping the elegance associated with the appellation. Balanced between Merlot and Cabernet Sauvignon, it is perfumed and should be ready to drink from 2023."
